

NAESC NATIONAL ASSOCIATION OF ENGINEERING STUDENT COUNCILS

The NAESC Scholarship Program supports engineering students who exemplify NAESC's mission of advocacy, collaboration, and leadership. Through this scholarship, NAESC recognizes students who have demonstrated meaningful involvement in their Engineering Student Council, made a positive impact on their peers and communities, and shown a commitment to the future of engineering leadership. Applications are reviewed based on involvement, impact, leadership, and financial need.

Applicant Information

Name: _____

Current ESC Position (if any): _____

University: _____

Years Involved with ESC/NAESC: _____

Major: _____

Current GPA: _____

Expected Graduation Date: _____

Please attach a current, unofficial transcript and proof of financial need.

Question 1: Describe your involvement in your Engineering Student Council and/or NAESC. Include positions held, major responsibilities, conferences attended, initiatives supported, and/or years of involvement. *300 words maximum*

Question 2: Describe one contribution, project, or initiative that demonstrates how you went beyond the expectations of your role. *400 words maximum*

NAESC NATIONAL ASSOCIATION OF ENGINEERING STUDENT COUNCILS

Question 3: Please explain how receiving this scholarship would support your academic and leadership journey. Include any financial, personal, academic, or professional circumstances that you would like the review committee to consider, as well as how you intend to use the scholarship award. *300 words maximum*

Question 4: How do you plan to continue contributing to the engineering profession, student leadership, or the NAESC network in the future? *250 words maximum*

☐ I authorize the NAESC Board of Directors to verify my participation and contributions through communication with my Engineering Student Council, NAESC representatives, advisors, or university officials as necessary.
